

# Do you remember these components?

## Light emitting Diode

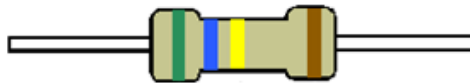

Can you label the positive and negative legs on this L.E.D ?

*Can you draw.....  
the symbol for a L.E.D?*

## Resistor facts

*Did you know.....*

- Resistors do not have positive or negative legs.

*Can you draw.....  
the symbol for a resistor?*

*Can you draw the symbol for the battery?*
